The World Record Team
The adventure begins at check-in for your sunrise or sunset flight. From there we proceed to the launch site where the action begins. As we inflate the hot air balloons, you will have the opportunity to become involved “hands on” as a crew member or you can sit back and observe the gentle giants coming to life. At lift-off, you will embark on a journey of uniqueness enjoying breathtaking aerial views of the colours and patterns of the Irish landscape.

After landing, we pop the champagne corks for a toast to celebrate your aeronautical adventure. Soft drinks are also available.

We can cater for small or large groups in our various sized balloons whether it’s a romantic engagement flight for two, a group of family and friends, a hen or stag party or a wedding group.

Balloons are carried majestically by the breeze so each flight is a magical mystery tour.

AGE GROUPS: From 12 yrs upwards. Our oldest passenger was 100 yrs young.

We operate all shapes and sizes of balloons for product launches, aerial advertising, corporate events and large or family fun festivals, nationwide or worldwide.

A gift that will make someone smile
